

## **I'm Just Human**

I grew up feeling weird and lonely  
Sometimes I feel sad for the old me  
But mostly I'm happy, and I'm free  
I found my community

Gender roles—they never felt right  
To find myself I had to fight  
And that's alright  
Cuz now my body gives me such delight

I'm not a man  
I'm not a woman  
I'm just human

And now I'm screaming in the air  
I've got joy and love to share

The media tells us that we should be thin  
It used to believe it but now I just grin  
I'm convinced  
muscular and strong  
For me, will always win

I can contort  
And flip my body  
I am stocky

Up on stage doing my shows  
All dressed up in performance clothes  
Little skirt, flat chest exposed  
Is when I feel most powerful

I'm not a man  
I'm not a woman  
I'm just human
